Attached is a spreadsheet denoting the new domestic part-time assignments for military part-time personnel who will now be reporting to domestic divisions.

There is NO action required on your part.

Military Managers will notify their part-timers of the new domestic assignment number. This is the number they will need to enter into the communication section of their hand-held/Poqet in order to receive their new territory over the weekend.

As the Military Managers will be severed from the company November 30, we are providing you this information as back-up in case military part-time personnel experience any problems with communication.
